

1. Universal Milling Machine Model: AMT 6132

Technical specifications:

- **Work table size** 320 x 1320 mm
Longitudinal travel – 700,680 mm
- **Cross slide**
Manual travel – 255 mm, Auto travel – 240 mm
- **Vertical**
Manual travel - 320mm, Auto travel – 300 mm
- Table swing to left and right - **45°**
- Maximum distance from spindle center to table top: 30-350 mm
- **Vertical spindle:** Nose taper – ISO 50
Spindle speed range - 30 -1500/min, Spindle speed -18
- Table slide, cross slide & vertical slides travels with auto rapid feed.
Table feed rate: X, Y: 23.5-1180/ Z: 5-262
- Main motor: 7.5 kW

Standard accessories: Mill chuck, Shell end milling arbor, Reduction sleeve, horizontal milling bar, Foundation bolt, Tool box

Optional accessories Supplied with machine Price Included: Vertical milling head, dividing head, Rotary table, vice,
