

**1. Line Boring Machine, Brand: AMC-SCHOU
Model: L 2500 V, Made in Denmark (USED)**

Technical Specifications

- Max. Block length: 2540mm/100"
- Max. distance from built-in parallels to boring bar: 850mm/34"
- Spindle Speeds: 50-750 r.p.m.
- Max. Boring bar travel: 750mm
- Fast feed: 6mm-1000min
- Max boring bar travel: 680mm
- Drive motor for spindle 1.5kW- 2hp
- Drive motor feed: 0.37kW-0.5hp
- Height of machine: 2200mm
- Total length of machine: 5100mm
- Total width of machine: 800mm
- Working space required: 7600 x 800mm
- Net weight approx: 2700kg
